Natasha

It was about a year ago when we last crossed paths with Natasha, so we thought we really ought to get her back in for another look – we mean 'shoot'. But it seems we're in her bad books a bit… "Well, I wouldn't go that far," she pouted (deliciously), "but I thought you'd get me right back in your magazine again after all of the fan support I got! I told all my friends about it and everything!" Oh, ah, yes, well perhaps it was something you do with the fact that we'd just seen you in a few months ago, and we didn't want to spoil our readers with a double dose of Natasha too close together like that. Imagine the hospital costs, for starters… "Hmm, OK, well if you put it like that, but I thought you were upset with me or something!" Upset? Not on your nelly! In fact we couldn't be happier – especially now you're back and you're peeling opening those delectable thighs for us once again! **JG**

Fran

That's rather a grand sofa, isn't it? Quite frankly a lot of girls would probably be a bit nervy about having such a posh piece of furniture as a prop in a set with them, for fear of being upstaged, but there were no such worries for Fran here! She's an absolute scorcher who deserves a lot more than your typical bit of Homebase tat to pose on, so while the studio manager was getting a bit twitchy about whether she'd get herself all worked up and leave a stain or two on the velvet upholstery, we really couldn't have given a stuff. And besides, any sofa that's lucky enough to have a bit of Fran's fanny juice soaked into should consider itself damn lucky! **JG**

Kelly

They say swimming's quite possibly the best exercise you can do. Certainly, the thought of the lovely Kelly McGregor putting in a few lengths before breakfast gets our hearts racing and the blood flowing alright, but it seems the girl herself actually isn't all that keen on it… "Well, I like the idea of swimming, but I never seem to get very far. The trouble is that once I'm in the water I start to get a tingling pussy and then there's only one sort of exercise I'm interested in doing – and it ain't swimming! Especially if there are any fit guys or girls in the pool as well!" Hmm, well there's a thought to conjure with. Still, perhaps the bit of swimming she managed at the start of this shoot might just work in our favour. All we need to do now is show her just how adept we are at the breasts-stroke… **JG**

Taylor

A former Penthouse Pet of the Year, a lesbian adult star, an in-demand model. It looks like Taylor Vixen has made it. “No girl has made it until she’s been in a Paul Raymond magazine,” Taylor gushes, clearly trying to butter us up. Successfully. Personally, we don’t think a model has made it until she’s had sex with the Just Girls editor, but when we pointed this out to Taylor the phone went dead. These transatlantic lines are still a bit tricky... **JG**

We've got a bit of something for everybody this month, so if you're a full-on boob lover don't get spooked by this set of svelte Cherry – there's plenty for you later on in the issue! Still, when a girls got a face as pretty as Cherry's – not to mention a mind as dirty and a pussy as inviting – then it'd be a real shame not to give her a Just Girls run-out just because she's not overly endowed in the bosom department! I mean sure, it's always nice to have the tit-wank option up your sleeve for an occasional treat, but we reckon Cherry boasts more than enough charms to keep any right thinking man happy for many a long night! **JG**

My boyfriend Harry is from the Scottish Highlands and a really outdoorsy type of guy. So, whenever we get a long weekend off work, he's always desperate to get out of town and into the great outdoors.

Over the last spring bank holiday I took him off on a picnic, knowing it would get him horny. And, luckily for me, we know a few places off the beaten track, where we can do what we like without being interrupted.

Sure enough, while he got the stuff out of our car I busied myself, taking my knickers off and laying back on the grass, letting the breeze blow up my minidress and over my pussy. I've always had a thing about 'letting my fanny breathe', and never wear much more than a T-shirt in bed, or around the flat, if I can get away with it.

My dress buttoned all the way down the front and it wasn't long before I'd stripped that off, too. When Harry had arranged the picnic basket and drinks on the blanket I'd packed I grabbed a little pot of yoghurt. I was still tanned from our Easter break in Malta, and as he watched I dripped the pale pink goo over my bronzed tits. It wasn't quite the same colour as his come, but it didn't need to be – I think

> "He got his dick out and, straddling my body, started fucking my tits."

he got the general idea! Just to seal the deal I made it worse by dipping my finger into the gunky substance and sucking it off, my finger disappearing between my wanton lips.

At this he could stand the sight no longer – he got his dick out, straddled my body, gently pinning me down – which I love – and started fucking my tits, just sliding his cock over my boobs rather than sticking it in between them to begin with. When it was all sticky with yoghurt he fed it into my mouth so I could taste the sweet treat from his throbbing helmet. I accepted his mucky prick enthusiastically, gobbling his length down in one, causing his body to shudder and my knees to tremble slightly. I ran my tongue along his shaft, polishing off the remaining yoghurt residue, paying particular attention to his sensitive bell-end. Moving my tongue down to his balls, I took them gently in my mouth, one by one, sucking them with gently before drifting back up to his tool. Even when I'd sucked him completely clean I just kept on going at it – and would happily have swallowed the entire contents of his bollocks if he hadn't pulled out at the last moment and shot them all over my boobs.

Not that he was denying me a taste of his jizz. We'd brought along one of those fresh fruit salads, and once he'd finished spurting he started dipping chunks of it into his muck, scooping the goop up before feeding it to me, watching rapt as I licked my lips and savoured the salty taste. It was one of the horniest things I've ever done!

Once all his spunk was finished, he changed position and started skimming the fruit through the juices welling at my pussy opening. Now and again, he'd slide a piece right inside my

> "Moving my tongue down to his balls, I took them gently in my mouth…"

pussy, then suck it out before eating it. By the time he'd finished the fruit, I was halfway to climaxing – and desperate to get his cock up inside me.

"You go on top," he said, rolling back on the grass lazily, his knob straining flat against his belly. I obliged, clambering on top of him, the breeze catching my long blonde hair. My nipples were rock hard, and he leant up to grab one with his mouth and sucked away on it while I lowered my dripping pussy down around his fat shaft.

As he sucked away at my nips I rode him hard, holding on tight with my hands and clenching my pussy muscles even harder around his prick, effectively massaging his cock as I bounced up and down harder and harder, driving his pole deeper and deeper into me with every thrust. He was groaning loudly with each thrust, his body still sweaty from his previous orgasm, spurring me on to go harder and faster.

Then he pushed me off and flipped me over onto all fours, obviously wanting to see my tight arse as he fucked me from behind. He slid his pulsating prick inside my dripping fanny hole, making me gasp as I felt his thick prick filing me up once again. Then he grabbed my bum cheeks and pulled them apart so he could see my bum-hole (always something Harry likes to do!), and began to thrust deliberately into my snatch. I let out an involuntary groan and pushed back hard, driving his dick into me right up to the nuts. With this he upped his speed, pistoning in and out of my tingling hole with wild abandon. At the same time he grabbed a handful of my hair and pulled, yanking it back and making me yelp, and I felt my orgasm approaching fast as he continued to

slam into me.

My clit was super sensitive by now, and when he reached forward and started rubbing it I could stand it no more, crying out as I came, my pussy slicking his prick as I came all over it. This in turn set him off again, and with a grunt he treated me to the second dose of his creamy come of the afternoon.

When we had caught our breath I rolled over and he collapsed on top of me, my tits flattened against his chest, and we just lay there for ages before he finally rolled off and we actually ate a bit of the picnic.

We spent our day just fucking, eating and chilling out, until the sun started setting and the temperature started to dip. All in all, though, it was definitely the best day's picnicking I've ever had!

I've been friends with Paige since the first day of university and we found ourselves in the same tutorial group as we'd chosen identical subsidiary subjects. However, it wasn't our shared academic interests which made us bond so closely, it was our shared interest in men. I can still remember our eyes following the same guy across the room as we sat together – I thought he was a hunk with a lovely bum and I think my face gave away my lustful thoughts as Paige looked at me and mouthed the words 'Oh My God'. I giggled and she laughed at me and everyone turned to look at us. I thought that two girls liking the same guys would lead to problems… but Paige had an innovative way around the issue. "Why don't we share?"

"Share?" I asked.

"Join forces," Paige said. "No bloke would be able to resist the two of us."

"That's true." I didn't really think through as to what would happen if we did bag a guy as a team. I'd never had a threesome and being rather naïve, didn't twig that Paige might be sexually interested in me. As we discussed it further, we both got excited, thinking that we'd 'cover all bases' with her blonde curls and curvy body being a sharp contrast to my dark locks and trim figure. Even if a guy could defy either one of us, we agreed that we would be irresistible if we united – no guy would turn-down an opportunity to be with two 'hot babes' as Paige called us.

We worked well as a pulling team and often ended-up with the best-looking guys at the pubs and clubs we frequented… but the guys were always in pairs and we never had to 'share'. The closest we came was with Jason, an IT bod who was earning a few quid by providing support in the computer labs. He was gorgeous and quick to come to the aid of a couple of ladies in distress. We were close to a deadline when the last remaining printer decided to konk out. Jason came to the rescue and while he was fiddling with the fuser and clearing the paper path, Paige was angling to get her hands on his equipment. She was shameless as she bent over; flashing her cleavage and legs but Jason wasn't having any of it. He was the consummate professional, totally ignoring my friend's best efforts.

"There you go," Jason said, as the printer whirred into life and our documents started printing.

"We're very grateful, aren't we, Jess?" Paige gave me a knowing dig in the ribs.

"What? Oh yes, very grateful," I said, uncertain what Paige was angling at.

"All part of the service," Jason smiled, and with that he left!

"Thanks a bunch," Paige snapped, turning on me. "We could've had him."

"You were trying to pull him? I thought you were just flirting to get him to help us."

"He upped his speed, pistoning in and out of my tingling hole with wild abandon…"

"No… I was thinking about sharing him with you; you me and him. I'm all horny now…"

"Do you need to nip into the ladies?" I asked, teasing her. I knew all about Paige's needs when it came to sex; she'd be grumpy if she didn't get off.

"It doesn't have to be with a bloke you know," she said, biting her lip.

"What doesn't?"

"Us – having sex." It took a moment for me to make sense of her words but when I did, it was like squeezing the trigger of a sexual starting pistol. She was talking about having a threesome with me… without the third person. "I didn't really want him anyway."

"So… he was a just an excuse… to be with me?"

"Finally! Yes. Jess – it's you I want!"

"Where can we go?" I asked, studying Paige's face.

"My house – now," she said. There was an edge to Paige's voice which made my pussy tingle.

"Can we hand these in on the way?" I asked, fluttering our assignments in Paige's face.

"Only if you hold my hand, Jess," she replied,

extending her hand to me. It felt naughty to be holding Paige's hand – like lesbian lovers – and it was very exciting as people turned to look at us. Their imaginations must have been running wild, especially when Paige kissed me. I let her do it, even with all those people watching, my heart racing and my pussy getting wet. My whole body was jangling, nervous excitement coursing through me as I thought about what we were about to do. I looked at Paige and mentally undressed her, getting so excited that I found myself gasping for breath. This was really going to happen.

"Have you done this before – with a girl I mean?" I asked Paige, as she closed her bedroom door behind us.

"Yes – but not like this," she said, starting to undress me. "She fancied me but I didn't really fancy her. I went along with it because I wanted to see what it'd be like, with a girl." My mind span as I took in the information. Paige had been with a girl before… and she fancied me.

"And what was it like, with another girl?"

"That's what I'm going to show you," Paige said, pulling me towards her and kissing me. Her tongue darted between my lips, curled around my tongue, licking it and playing with it. It felt so good and I instantly imagined that tongue between my legs, licking my pussy. My whole body yearned for her to touch me. "Not so fast," she said, "at least let me get your knickers off." Paige pulled my knickers down, exposing my pussy and something snapped inside me, seeing her down there, so close. I grabbed her head and pushed my crotch onto her mouth.

It was wonderful to feel the heat of her mouth on my pussy and my pleasure built rapidly as Paige started licking me. I couldn't believe it was my friend down there, licking me, sucking me. But it was her blue eyes staring up at me as her tongue wriggled between the folds of my pussy and found my clitoris. It was the naughtiness of what I was doing that made me orgasm so quickly. I'm normally a slow-burner but this was just so damn dirty that I found my knees buckling as great waves of ecstasy flooded me.

My orgasm hadn't finished firing as I eagerly pulled Paige to her feet and pulled at her remaining clothes. Her body shape was much closer to my own than I had imagined, although her boobs were fuller than mine. I felt slightly uncomfortable as I reached-out and squeezed them with both hands, feeling their soft weight. Paige groaned and I realised that I had given her sexual pleasure. Bringing thumbs and forefingers together, I pinched her nipples and as she groaned again, I lowered my mouth over her right nipple and sucked. Her hands stroked my hair and I relaxed, as though I had been given permission to play with her body. It took me a while to summon the courage to do what I really wanted to do, but eventually I had Paige lying on her back and I was down between her legs, kissing my way towards her eager pussy.

Her labia were hanging open and inside the puffy pink slit was a circle of darkness. I licked my finger, touched it against the black dot and pressed, watching as it disappeared inside my friend. Paige sighed contentedly as I curled my finger up inside her and rubbed the soft flesh of her vagina. I never imagined that I would do this and watched in fascination as Paige's pussy easily accommodated another finger. I fucked her with them, and marvelled at how quickly both fingers shone with her juice… juice that I wanted to taste. I slipped my mouth over the top of her pussy and licked. Paige gasped and as my tongue pushed between soft folds of flesh, I knew just how wonderful it would feel when I licked her clit. It was something new to me, and it did feel odd to be licking my friend's pussy, but each gasp and grunt of pleasure drove me on. I wanted to make her come, make her explode with sexual pleasure – after all, if I did it well, she'd probably ask me to do it again.

"Paige sighed contentedly as I curled my finger up inside her and rubbed the soft flesh of her vagina."

"Oh… my… God!!" Paige shrieked, and I felt the powerful spasms of her orgasm as her pretty pussy clenched around my fingers over and over. It was amazing being down between Paige's legs as she squealed and squirmed, knowing that I was responsible. "Ummm… yummy," she said, pulling me into a kiss, no doubt tasting her own pussy juices.

"So now all we have to do is find a hot guy…" I started.

"No way!" Paige interrupted. "No way am I sharing you with anyone, Jess." Paige wrapped her duvet around me protectively and snuggled in closer. "There's no escape now," she giggled.

"Why would I want to escape?"

Philip and I had been going out together for quite a while before I let him into my knickers. The reason for this was that I'd recently finished a relationship with a cheating fucker, so I was being careful not to put out so easily for my next boyfriend in case he disrespected me like my last one.

However, circumstances took us both by surprise and it just kind of happened.

We had been out for a romantic walk by the river, and had just laid out the travel rug on the ground. Suddenly there was an enormous cloud burst and within seconds we were being soaked by large heavy raindrops.

Dragging the rug off the ground, Phil gestured towards a large tree and shouted for me to make a run for cover. We dived in under the

heavy canopy, trying to catch our breath as the rain came bucketing down all around us. The tree gave us some shelter but as the shower went on large drops dripped from the leaves.

In spite of the shelter from the tree branches my whole body was already soaking wet, and my wet clothing clung to my skin, leaving nothing to the imagination. Philip how had the foresight to pick up the rug and drape it around me, suggesting that we snuggle together for warmth until the shower had passed. As I was shivering by then, I agreed and we huddled tightly together in.

It did not take long for our body heat to warm us up, but the proximity of our bodies sent all kinds of sexy signals coursing through me. Our nearness plainly affected Phil in the same way, because he leaned down and kissed me hard on the lips. I returned his kiss, pressing my body hard against his and finding to my delight that his erection, which was pushing against me, was promisingly large.

Before too long we dropped the rug and Philip peeled off my T-shirt and bra and began quite literally licking the rain from my nipples and breasts. His sweat-shirt was stuck to his skin and I could see and feel his hard six-pack through the drenched fabric. His hard maleness made me quiver with excitement, and I fumbled to open the front of his jeans.

It was no easy job removing all our wet clothing, but we managed it. The exercise warmed us up, and in spite of the ground being wet and a little bit muddy we slid down onto the rug and began exploring one another's bodies. Philip had my whole body aglow as he sucked on my nipples and started fingering my clit. His hands were rough from physical work and I loved the friction he created against my clit as he pushed his thick finger in and out of my soaking pussy.

The rain ran over our skin, cooling us down and igniting sensations of desire to such a point that we could not get at one another fast enough. We rolled around in the wet mud, laughing gleefully at the feeling of total freedom. The breeze hardened my nipples and I straddled Phil, slithering down his torso until my pussy was pressed down against his iron-hard cock.

His large hands squeezed my tits as I mounted his thick cock, sliding it inside my steaming hot pussy and began riding him. Bouncing up and down on his large erection I pleasured myself as his fingers sought to get a grip on my slippery wet nipples. After a while I could feel my orgasm approach and I flung my head back, crying out as I allowed myself to come. I climaxed long and hard, my pussy muscles gripping his thick cock and going into spasm as he plunged it further and faster inside me.

I was still in the throes of orgasm as he rolled me over onto my back and fucked me even harder. The mud and rain mixed with out perspiration as he thrust in and out of my fanny. It was the hardest fuck I'd had in a while and I needed it so I thrust back, trying to make him come along with me. But Phil was not having it, and he pulled out and slid down my body, holding my legs apart.

Then he began licking my pussy, making me squeal with delight as he skillfully worked on my clit, bringing me to the edge and easing off time and again until I was begging him to make me come.

Laughing, he raised his head and winked at me. His wet hair was plastered to his head and there was a streak of mud on his cheek which made him look sexier than ever. So when he went back down on my pussy it took no time to send me over the edge as he nibbled my clit and sucked it until I came.

> "He began licking my pussy, making me squeal with delight as he worked on my clit."

I was still recovering from this orgasm as he flipped me onto my elbows and knees and took me from behind, pushing his way inside of me, and shunting steadily.

Then to my surprise he began playing with my bumhole, rubbing his finger around my rose as he thrust. The rain ran down the little groove at the top of my arse crack and he used it to lubricate my anus.

Gently he eased his cock out of my pussy and into my anus, easing it slowly inside and then he began fucking my arse. I loved the sensations, and as the rain continued to thrash our skins he gently pushed deeper, playing with my clit as he filled my back passage with his madly throbbing cock. With a feeling of sheer delight I came one last time, and then suddenly Philip basted my anal opening with his warm spunk before we sank into one another's arms in the warm wet mud.

Danielle

With the Spring heatwave short-lived and a not so unexpected cold snap upon us we thought a fireside fox was in order. Think of it as a service from us that helps you keep warm at night, not that you'll need much support after you've taken a butchers at Danielle and imagined yourself snuggled up next to her and a roaring fire. She'll peel you out of your cable-knit sweater and warm you up in no time. Of course, the fact you might be reading this in your speedos while sipping a daiquiri at poolside is neither here not there. For those of you stuck at home just turn the thermostat up to 25, make yourself a hot toddy, and settle in for the evening. Alternatively, just look at the pictures without a fire in them. They work just as well. **JG**

Adriana

Here at Just Girls we feature only the hottest girls (of course!), but when we were having a conversation amongst ourselves the other day about which model we'd most like to see our cock sliding into, there were quite a few of the guys who said, with hardly a moment's thought – Adriana Malkova! Well, there you go – a ringing endorsement from the staff, and a quick glance to the left of this blurb goes to prove exactly what we had in mind. Let's face it, can you think of anything (or anyone) you'd rather be doing?! **JG**

JUST GIRLS READER'S GIRLFRIEND

Fancy a Reader's Girl slot? Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, *Just Girls* Magazines, 20 Lyon Road, Hersham, Surrey. KT12 3PU. If you've got the *Just Girls* look you'll get a top photo shoot and £250 too!

NAME: Pippa **AGE:** 19
FAVOURITE SEX: Threesomes
WHAT'S SHE LIKE? You wouldn't guess she's a dirty one...

WHY DID YOU WANT TO APPEAR IN JUST GIRLS?
Easy – it's one of my favourite porn mags. I like some others, but Just Girls girls are the fittest. I really like the European girls you have, they don't have the traditional American Barbie-girl look.

AND NOR DO YOU.
That's because I'm London born and bred. I don't mind getting tarted up for nights out, but I'm more of a jeans and T-shirt kind of girl at home.

AND WHAT ABOUT IN THE BEDROOM? Well, I've got mates who go mad for expensive lingerie, but I'd rather just be nude. I can't be doing with all stockings and suspenders when the important bits are needing some attention!

WHAT'S THE KINKIEST THING YOU'VE DONE?
Well, I think I've still got a lot to learn, sex-wise, but I did have a threesome with my best mate and her bloke recently. It was the first lesbian stuff I've done, and I felt a bit on show with him there, but once I warmed up I was a really dirty girl! Having him fuck me while I had my mouth on her pussy was the best thing ever.

SOUNDS SWEET. WHAT'S NEXT?
I'll see if modelling takes off for me, but I like my day job anyway, and in the meantime I'm going to keep on experimenting at sex!

Lexi

It's another cock-stiffening issue of Just Girls, and who better to see in the issue than South Wales's very own Lexi Lowe! We're pretty sure we've already made just about every gag we can about valleys and erm, leaks (no, perhaps we haven't made any leaks gags, but then it's probably just as well), so on this occasion we'll keep it straight; so how's things, Lexi? "Well I can't really complain," she grinned. "After all, I've just been flown down to the South of France for a week's shooting, and once I've done taking my clothes off for the day there are plenty of distractions to keep me entertained here." Once you've done taking your clothes off we can all see quite a few attractions to keep us entertained as well, but we're guessing you're not just talking about your boobs and your juicy pussy, are you? "No, of course not – I'm talking about the bars and casinos, although my boobs and pussy might just come into play by the end of the evening…" **JG**

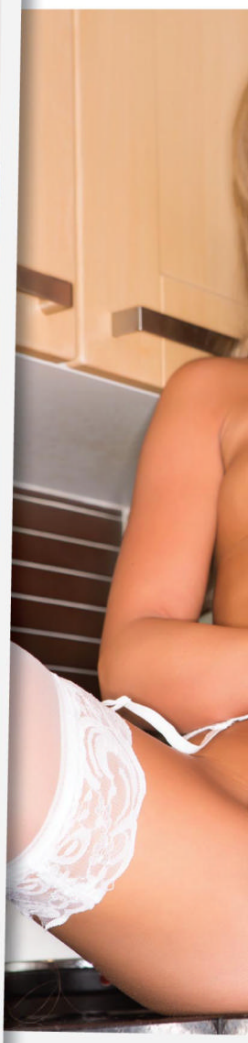
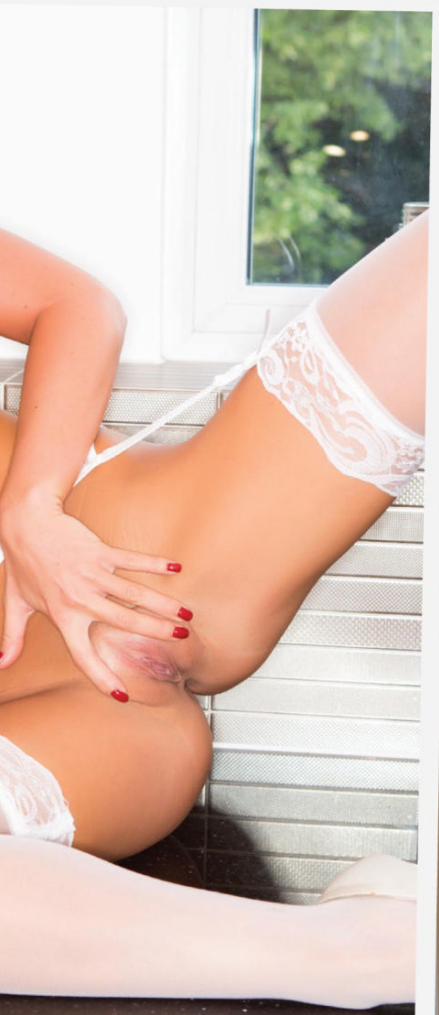
Natalia





Old-fashioned types used to say that a woman belonged in the kitchen, and while there's no denying UK hottie Natalia Forrest looks damn good in there, we can't help thinking it'd be a mighty waste of her, er, talents, expecting her to slave away rustling up meals and stuff when she could be performing other, more enjoyable, domestic duties! "But I love cooking!" protests the girl herself. "It was one of my favourite subjects at school, and now I love nothing more than trying to replicate some of the dishes I see on Masterchef and programmes like that. I think there's nothing nicer than giving the guy in my life a really good meal, because I know he'll repay the honour when we're in the bedroom!" Natalia, we'd gladly more than repay the honour in the bedroom if you just gave us a cold pastie every night for tea! **JG**

Natali

When Natali first appeared in a Paul Raymond magazines a couple of years ago she was very much the 'teeny type', bouncing around looking all smiley in tight top and mini-skirt. Now while that was all well and good, there has to come a time when a model goes from perky princess to fully-fledged beauty and – my word – hasn't Natali blossomed? Bright colours and flirtatious antics are replaced by a rather more demure look, with floaty blouse and sultry smiles revealing a mature and sophisticated side to this big-breasted blonde babe. Well, we prefer the new look, and hopefully Natali will be back to show us more of her 'demure side' very soon… **JG**

Everyone knows that a star features fairly prominently in the Christmas tale! Not only does it demonstrate that even the heavens were impressed by the new Middle Eastern arrival, but it also gives small children something a bit better than a donkey to dress up as when they get roped into the Nativity Play. Anyway, here at Men Only we thought we'd get into the spirit of things by getting all starry as well – but why make do with just one star when you can have two? And when the stars in question are Celeste Star and Lela Star, what's not to like?! Still, with these girls being, ahem, boner fi de adult starlets, they don't crave the same sorts of seasonal goodies as the rest of us. They're not remotely interested in getting woolly jumpers or socks with reindeer on them – no, what they want to really celebrate this time of year is the opportunity to feast on each other's juicy spadgers. Pigs in blankets are all very well, but Lela insists there nowhere near as mouth-watering as Celeste's delectable little slit. We'll just have to take her word for it on that one, but we're pretty sure that tucking into either pussy on show here makes a pound of sprouts seem like a pretty crappy alternative. **JG**

Celeste & Lela

McKenzie

Whilst washing her fancy sports car, busty blonde bombshell Mackenzie Pierce appears to have got a bit bored and decided to start washing herself instead. Naturally, we're not complaining, as checking out this big-boobed American babe soap up her front bumpers makes for much better viewing than watching her scrub birdshit and dead insects off the windscreen of what looks like a swish Corvette convertible. I can picture her now, driving around town with the top down,turning heads wherever she goes. The jaws dropping as she cruises by in some skimpy outfit or other, R&B blazing from the stereo, crowds of blokes assembling as she attempts a parallel park for the seventeenth time… **JG**

Sophia Knight

Well, we've officially left the EU, but what's on the cards next for the good people of Scotland, are they going to stick or twist and jump ship? Who really cares, instead lets just enjoy a set of one of the loveliest (not to mention rudest) lassies to hail from North of the border in living memory, but to be polite we'll ask her opinion anyway? So Sophia, being a proud Scot, what are your thoughts on Brexit? "I didn't actually vote myself – I was a 'don't know' all the way through the campaign, and in the end I thought I'd leave it up to everyone else! Anyway, my boyfriend's English, and I'm far more interested in our own, special, unions, frankly!" Hmm, so in a word, you find fucking of more interest than the political fate of an entire nation? What a terrible indictment of modern womanhood! "Oh, so you'd prefer it if women were more interested in politics than in sex, would you?" Er, no, we probably wouldn't go that far! **JG**
